

DRAGON EARTH

WHITEPAPER

A DECENTRALISED COMMUNITY TOKEN SOLELY AIMED AT
BECOMING THE KING OF CRYPTOS ON EARTH

OVERVIEW

The DRAGONEARTH smart contract applies a 6% fee on all transactions (buys/sells). Which is completely distributed to holders, without farming! This means the amount of tokens in your wallet will forever increase as people transact.

This is what DragonEarth aims to accomplish:
You don't have to farm, stake or deposit your DragonEarth.
Simply hold it in your wallet and you will get more!

TOKENOMICS

This tokenomics is as per initial plan and Any left over tokens in the presale will be burned. So tokenomics may change in the future

LEGAL DISCLAIMER

The information provided in this publication does not constitute investment advice, financial advice, trading advice or any other sort of advice. You should not treat any of the publication's content as such. This material is for informational purposes only and is not(i) an offer, or solicitation of an offer, to invest in, or to buy or sell, any interests or shares, or to participate in any investment or trading strategy, (ii) intended to provide accounting, legal or tax advice or investment recommendations, or (iii) an official statement of Dragon Earth Token. No representation or warranty is made, expressed or implied, with respect to accuracy of completeness of the information or to the future performance of any digital asset, financial instrument, or other market or economic measure. The Dragon Earth Token team does not recommend that any cryptocurrency should be bought, sold, or held by you. Do conduct your due diligence and consult your financial advisor before making any investment decision. By purchasing Dragon Earth Token, you agree that you are not purchasing a security or investment, and you agree to hold the team harmless and not liable for any losses or taxes you may incur. You also agree that the team is presenting the token "as is" and is not required to provide any support of services. You should have no expectation of any form from Dragon Earth Token and its team. Although Dragon Earth is a decentralised finance (DeFi) token and not a registered digital currency, the team strongly recommends that citizens in areas with government bans on cryptocurrencies do not purchase it because the team cannot ensure compliance with established regulations within certain territories. Always make sure that you comply your local laws and regulations before you make any purchase.

RISK DISCLOSURE
